# NEA MARBLE

'Line of light'

Designed by  
KAIA Team  
2020

Light in its purest and most simple form, the lighting object reduced to a simple fixture. A tube of light suspended or mounted on a wall at a single point.

\* Under unfavorable conditions these lamps can lead to acoustic noise. In case of resonance even low noise can cause audible effect. The installation as well as the dimmer or the transformer (harmonics or electronic resonance) are possible influencing factors.

\*\* Please contact [sales@kaia.at](mailto:sales@kaia.at) for further information on dimmers etc. Please note KAIA Ltd cannot take any responsibility for the connection with your dimming or central control system. It is the customer's responsibility to ensure the compatibility with their systems.

\*\*\* For other marbles or other backplate finishes contact [sales@kaia.at](mailto:sales@kaia.at)
